WE NEED YOUR HELP TO RUN THE CLUB!

We know you all think AGM's are boring! But if you want to have a say in how your club is run, you need to come along and give us your views. As well as electing the committee for 2018, we also need some volunteers to assist the committee with new roles to help grow our club.

There is also cheese and biscuits afterwards, which makes it all worthwhile. I'm afraid you will have to buy your own wine at the bar this year !!

We have a number of existing committee members who are happy to stand again if re-elected, however we still have some vacancies on the nomination forms on the board outside the changing rooms. In particular for a facilities officer (help is available for new volunteers)

Get involved, it's your club!
