Rosenheim match report

Welcome to the first Rosenheim match report of 2021. A pleasant evening in Battersea welcomed a team of youth and experience, and there were a number of fantastic performances to boot. We had a number of athletes making their Rosenheim debuts and indeed in some cases completing their first ever track races.

Ruby Foley [U17W] shaved a whole second off her personal best in the 2nd 200m heat of the evening, running **29.5 PB** in only her 2nd ever race. **Anna Morgan [U17W]** in her first ever track race ran **14.4 PB** in the 3rd 100m heat of the evening, and followed that up with **1.20m PB** in the High Jump. **Alexander O'Neill [SM]** flew the flag in the men's 100 & 200m races, and didn't disappoint by running **11.9 PB and 24.1 PB.** Another great performance, led to the closest of finishes in the 3000m. **Alex Kilby [U20M]** out sprinting Epsom's Ollie Garrod (8.56.8) for the win in an exciting and hard thought race **8.56.2.**

There were two masters athletes competing, **Louise Wood [V50]** jumped **4.44m** in the Long Jump and **Martin Willis [V45]** ran a seasons best in the 200m and threw **8.39m** in the Shot. Many great performances and personal bests over the evening and hopefully there will be more of the same at the next match in Croydon 21 July 2021.
